Let's Get Together!

OCTOBER 14
NATIONAL ARTS CENTRE

PURPLE TIE GALA | SPONSORSHIP OPPORTUNITIES

OUR NEED

Cornerstone Housing for Women provides a community of care and support to women and gender-diverse people struggling with poverty and homelessness in Ottawa. We offer **emergency shelter** and **supportive housing** in five locations across the city – soon to be six – that provide case management, substance use support, and connections to mental health and health care for those who require it. We serve more than **107,000** nutritious meals each year. **We can't do this alone.**

We are in the midst of three concurrent crises: a cost of living crisis, a housing and homelessness state of emergency, and an overdose epidemic. Cornerstone is also facing funding shortfalls; we are losing \$1 million in federal COVID relief funding and the provincial government's budget is cutting back much-needed funds for housing and homelessness in our city. Without this funding, women in our emergency shelter will not receive the level of staffing care that they need and deserve.

That's why your support is so vital.

Thanks to the support of organizations like yours, Cornerstone Housing for Women is able to help more than 200 women every day, and 600 women every year, in transforming their lives from crisis to hope through housing and healing.

We are so appreciative that your organization is considering supporting our efforts to fight homelessness here at home.

OUR EVENT

Don't miss the fall social event of the season! We're excited to welcome you to the National Arts Centre for our fifth annual **Purple Tie Gala**. Join us for an evening of delicious food and beverages, music by local soul singer Renée Landry, and a curated auction all in support of Cornerstone Housing for Women.

After our hugely successful gala last year, we are proud to once again honour the strong and resilient women who work, volunteer, support, and use the services at Cornerstone Housing for Women. **Join us at the Gala on Saturday, October 14, 2023!**
